PATIENT PREPARATION INSTRUCTIONS

WARNING:

Female patients for X-ray - if you are, or may be pregnant, please let us know before your X-Ray is taken.

1. GENERAL NOTES:

- **Please bring your health card and this requisition with you.**
- **Please arrive on time for your appointment.**
- If you must cancel, call early, at least 24-48 hours prior to your appointment to benefit others in urgent need.
- If you are late for your appointment or not fully prepared, your examination may be delayed or rescheduled.
- If you weigh over 300 lbs please ask if there are any procedural limitations.
- Unless instructed by your physician, do not stop taking your normal medications.
- Dress comfortably (no jewelry and no metal / plastic clips).
- Preparation instructions below apply to **most adult** patients.
- Avoid misunderstandings, know your examination when booking appointments and follow preparation instructions accordingly.

EXAMINATIONS LISTED BELOW REQUIRE AN APPOINTMENT

2. ABDOMINAL ULTRASOUND:

- Test takes 20-40 minutes: Kidneys/ Gall bladder/ Liver/ Spleen/ Pancreas. (Please also **see # 1** General Notes above)
- **MORNING Exam:** Nothing to eat or drink for 8-10 hours. Avoid gas producing products the night before.
- **AFTERNOON Exam:** Early light breakfast, but **no** dairy/ fat or gas producing products for 8 hours and **no** eating for 6 hours.

3. PELVIC or OBSTETRICAL ULTRASOUND:

- Test takes 20-40 minutes. Drink 40 oz (5 large glasses/ 1.5 litres) of water. Start drinking 90 minutes before and **complete 60 minutes before** (water/ juice/ black tea or coffee). **You need a full bladder. Do not void until after the examination.** (Please also **see # 1** General Notes above)
Note: *If you are booking a "transvaginal" examination, please let us know when booking appointment.*

4. ABDOMINAL & PELVIC COMBINED/ URINARY TRACT ULTRASOUND

- Test takes 20-40 minutes. **No** eating for 6 hours and **no** fat, dairy or gas producing products for 8-10 hours (ask if there are any exceptions). **Also**, drink 40 oz (5 large glasses/ 1.5 litres) of water, 60 minutes prior to examination. **You need a full bladder. Do not void until after the examination.** (Please also **see # 1** General Notes above)

5. ULTRASOUND OF SCROTUM, THYROID, BREAST AND MUSCULOSKELETAL

- Test takes 30-60 minutes. No special preparation. (Please also **see # 1** General Notes above)

6. BONE MINERAL DENSITY:

- Test takes 15-20 minutes. If you had a NUCLEAR MEDICINE scan or BARIUM test, allow one week before having this test.
- Max Wt. = 300 lbs. (Please also **see Warning** and **# 1** General Notes above)

7. BREAST ULTRASOUND

- Test takes 30-45 minutes. No special preparation. Do not use deodorant and/or powder on day of examination. (Please also **see # 1** General Notes above)

**PLEASE BRING YOUR HEALTH CARD AND THIS REQUISITION FOR YOUR APPOINTMENT
PLEASE CALL 24-48 HOURS IN ADVANCE IF YOU NEED TO CHANGE YOUR APPOINTMENT**
